Complete Electrical Merchandiser

Item #: DR1088

The DR1088 is ANCOR's premier merchandiser. Designed as an end cap or free standing gondola, this eye catching 4' wide x 6' high heavy duty display provides the retail dealers with a complete selection of our most popular Marine Grade™ products. The bottom section offers the most popular colors and sizes of primary wire, battery cable, duplex, triplex, and coaxial cable to be sold by the foot. The top section includes consumer packs of our most popular terminals, lugs, lamps, mini-spools, fuses, cable ties and heat shrink tubing products. The DR1088 electrical merchandiser comes complete with a planogram, the necessary hooks, re-order tags and three heavy duty steel wire baskets designed to dispense the spools of wire.

Also Available:

Item #: DR1089

DR1089 Merchandiser: Duplicate product selection as DR1088; with hooks, reorder tags, wire baskets included. No gondola included (to be used with existing pegboard or store wall).

Item #: DR1091

DR1091 Merchandiser contains only the packaged product from the DR1088.

Ancor is the leader in marine grade wire and connectors, serving the marine industry for more than 30 years. Every product we make, from tinned copper wire to insulated connectors to a complete line of hand tools, is designed to withstand the rigors of life on the water. Our wiring products are the longest lasting and most rugged available. Constructed with the highest quality stranding for improved conductivity and flexibility, and premium vinyl insulation, they exceed UL 1426, ABYC and USCG standards. Ancor's full complement of products means that you are assured of Marine Grade™ quality throughout your boat's electrical system. Visit marinco.com/brand/ancor to see our full product line.
